PETITIONS OFFICE

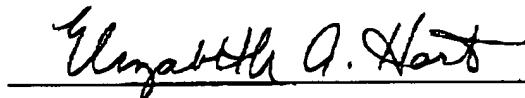

Pursuant to our telephone conversation this morning regarding entity status in the above-identified matter, I enclose a copy of the utility patent application transmittal on which small entity status is claimed. Ms. Williams indicated that the PTO system has the application as a large entity. This is in error. Due to the time-sensitive nature of this matter, also enclosed is a copy of the verified statement under 37 CFR 1.9(f) and 1.27 (c), executed by an officer of assignee stating that assignee is a small business concern. This document was executed about the time of filing the instant application. Applicants assert that the entity status of assignee has not changed and, thus, remains a small entity. Applicants respectfully request correction of this error. Lastly, applicants would like to thank Ms. Williams for her diligent efforts in this matter.

Elizabeth A. Hart (713) 651-5698
